Excellence In Competition (EIC) matches are sanctioned by the Civilian Marksmanship Program (CMP)*

TOURNAMENT TYPE

The Vermont State Outdoor Pistol Championship William "Bill" Wheeler Memorial Tournament is a two-day event consisting of complete 2700 Bullseye Conventional (3-Gun) **AND** .22-Only Pistol Matches, two Distinguished Revolver (DR) matches, two Excellence in Competition (EIC) Service Pistol matches and one Excellence in Competition .22 Rimfire Pistol match on each of the two days. The Conventional Pistol and .22-Only 2700 matches will be conducted together at the beginning of each day. The DR and EIC Service Pistol matches will be conducted together immediately following the 2700 matches, then repeated to allow shooters to shoot both on the same day. The EIC .22 Rimfire Pistol will be the final match on each day. This schedule allows a competitor to participate in all five shooting disciplines over the two days.

NRA DR and CMP-EIC MATCHES

Two consecutive Distinguished Revolver (DR) matches are planned for both Saturday and Sunday immediately following the 2700 Bullseye matches. Running concurrently with the DR matches after the 2700 matches, two consecutive Civilian Marksmanship Program (CMP) Excellence In Competition (EIC) Service Pistol matches are planned for each day of the tournament. One EIC .22 Rimfire Pistol match will follow the two sets of the DR and EIC Service Pistol matches on each day of the tournament. All DR and EIC matches will adhere to the 30-round National Match Course of fire. Contingent on shooter interest, final decisions to proceed with the DR and/or the EIC matches will be announced during the tournament. See attached DR and EIC match programs for more information. Use the attached 2700 match entry form to sign up for the DR and EIC matches. **NOTE:** Distinguished Revolver eligibility requirements have changed for 2017. See attached DR program for details.

Be advised, however, in order to establish National Records, the shooter must be a member of the NRA. Non-members are encouraged to join the NRA. Minor/junior shooters must be accompanied by a parent, legal guardian or a responsible adult.

NOTE: Due to changes in the Gun Control Act of 1968 (Lautenberg Amendment), persons who have been convicted of a misdemeanor crime of domestic violence are prohibited from possessing firearms and ammunition unless the conviction has been expunged or set aside. Persons who fall under the prohibitions of this law cannot participate in the tournament as a shooter/competitor.

ENTRIES

Competitors may preregister by completing the attached match entry form, two liability waivers and mailing the forms and payment to the address on the application. Entries are accepted on a first-come, first served basis, except as noted below.

Competitors are encouraged to submit their entry as early as possible to facilitate squad and shooting point assignments, and to guarantee their positions on the firing line. Entries received on or before Thursday, May 25th will be acknowledged by email or by phone. Exception Note: Preference will be given to persons firing the entire 2700. On the entry form, competitors must clearly indicate if they wish to shoot only one 900 aggregate match or two 900 matches (1800 aggregate). If space is available, management will try to fit in persons shooting less than the full 2700. A waiting list may be established and paid entries will be refunded if the competitor is not assigned a firing line position due to space limitations.

LIABILITY RELEASES/HOLD HARMLESS AGREEMENTS (LR/HHAs)

At least once each calendar year, all shooters who compete in VSRPA pistol matches must sign and agree to the terms of the "Liability Releases/Hold Harmless Agreements" (LR/HHA) as a prerequisite to participation in this tournament. All **civilian competitors** are required to submit two LR/HHAs, one for the Vermont Army National Guard, and one for the Vermont State Rifle & Pistol Association. All **military competitors** are required to submit one LR/HHA for the Vermont State Rifle & Pistol Association. (NOTE: Active military personnel are exempt from completing the Vermont Army National Guard liability release.). **Minors** must have both liability releases filled out and signed by a parent or legal guardian, and be accompanied at the tournament by a responsible adult. Liability release forms are attached to this document and should be returned with the tournament entry form.

NRA MEMBERSHIP NUMBER & NAME

All competitors who are NRA members must put their member ID number (do not use leading zeroes) on the entry form and include the shooter's name the same way it appears on the NRA identification card to help the NRA positively identify the shooter and properly record the scores without delay.

TOURNAMENT RULES

Current NRA Conventional Pistol Rules (Revised March 2016) will govern this tournament for the Conventional (3-Gun) Pistol, .22-Only and DR matches. Current *CMP COMPETITION RULES FOR SERVICE RIFLE AND PISTOL* (21st Edition – 2017, effective date 02/01/17) will govern the EIC match. Competitors are responsible for compliance with the NRA and CMP rules as well as with the requirements set forth in this program.

SAFETY

Safety is paramount. There will be strict adherence to safety rules and range commands from the Chief Range Officer at all times. Hearing and eye protection are required for all persons on, or near, the firing line. The use of empty chamber indicators/flags is mandatory. All cell phones, pagers, and other sound-producing devices must have the sound turned off within the area of the ready and firing lines. Anyone believed to be under the influence or otherwise impaired, or in violation of safety rules, or acting in a disorderly manner may result in the attendee's removal from the range and/or forfeiture of fees.

2700 CLASSIFICATIONS

Competitors will be classified using the NRA system in all Conventional Pistol and .22-Only matches. Classes are High Master, Master, Expert, Sharpshooter, and Marksman. Competitors will enter this tournament under their correct classification and fire the Conventional Pistol and .22-Only matches in that class. A minimum of five (5) competitors will constitute a class. Classes will be combined upward as necessary to obtain at least five (5) competitors in a combined class. Competitors without classification will shoot in the Master class unless there are 5 or more entered as unclassified shooters. Five, or more,

unclassified shooters will be placed in a separate Unclassified class. Competitors should advise the registrar at check-in time of any recent changes to their entry or classification information.

MATCH SCORING AND TARGETS

All scoring will be done downrange by competitors after each 10-shot stage. Competitors will pass their scorecards to the right and score the target to their left, except that a range officer will score the last target on the high end of the range. Competitors will be responsible for replacement/repair of their own targets. Target repair centers will be staged on the firing line for the shooters' convenience. Competitors may use scoring overlays (no plugs) to help determine shot value. Scoring plugs will be used only by range officers and tournament officials. Target pasters and clip boards for scorecards will be provided. Clipboards and unused pasters should be returned to the range tower at the conclusion of the matches to help keep our costs down. Competitors must provide their own staple guns and staples.

BULLSEYE 2700 COURSE of FIRE and MATCH SCHEDULE

Two complete 2700-point (Conventional (3-Gun) Pistol and .22-Only) matches will be held during this tournament, one on Saturday, May 27th and one on Sunday, May 28th. The 2700 aggregate matches using pistols or revolvers in compliance with NRA Conventional Pistol rules will use B6 targets for Slow Fire at 50 yards and B8 targets for Timed and Rapid Fire at 25 yards.

The 2700 match schedules are as follows with .22-only and Conventional Pistol running concurrently:

SQUAD & FIRING POSITION ASSIGNMENTS

Squad and firing positions will be assigned according to shooting discipline (.22-Only vs. Conventional Pistol) and according to competitor classifications within those disciplines. To finalize squad and firing position assignments, **all competitors must check in** by 7:45 AM (even if pre-registered) at the registration desk at CEATS range 5-1 on Saturday, May 27th and/or Sunday, May 28th. Competitors who fail to check in and present themselves when the preparation period begins may lose their right to compete in the event in progress.

SCORECARD PACKETS

Score card packets will be distributed on the firing line in advance of match startup. They will be pre-marked with the firing position/target number. Upon receiving their firing position assignments from the match officials, competitors should check their scorecard packets to make sure the set represents their chosen shooting discipline (i.e. Conventional Pistol or .22-Only) and fill in their name on all scorecards.

CHALLENGES

Challenges will be resolved by a three-person jury per NRA rules for registered tournaments.

MATCH RESULTS

A final match results bulletin will be emailed to all competitors who provide an email address. Conventional Pistol and .22-Only results will be reported separately to the NRA. Shooters should contact the Match Director if they need to make other arrangements to receive match results.

PRIZES & AWARDS

All awards based on score will be cash with amounts and placement awarded depending on the number of competitors in each class. If there are not at least five competitors for a class, then classes will be combined for award purposes. For example, the tournament participation level may dictate there will be two combined classes, such as Marksman-Sharpshooter and Expert-Master for purposes of distributing awards. Competitors without classification will shoot in the Master class unless there are 5 or more entered as unclassified shooters. Five, or more, unclassified shooters will be placed in a separate Unclassified class. Conventional Pistol and .22-Only cash awards will be segregated and paid to the top scorer in each class or grouped classes for each match, each aggregate and the overall match winner.

FIRING RANGE FACILITIES

Outdoor Range 5-1 capacity is a 20 point, covered firing line with 50-yard and 25-yard turning targets. Only the inner 18 positions (less 1 and 20) will be utilized to fire the match unless there is a full line.

DIRECTIONS TO RANGE – PLEASE OBSERVE ALL POSTED SPEED LIMITS WHILE AT CEATS

Camp Ethan Allen Training Site (CEATS) is on a military reservation located in Jericho, Vermont. Reference attached map and directions to CEATS. Be advised commercial GPS units frequently produce erroneous CEATS range locations causing travelers to waste time getting to the range. If a GPS is used to reach well-known and accurate waypoints outside a 1-mile radius from the range, drivers are urged to defer to the maps enclosed to reach their final destination. After turning onto Ethan Allen Road, travelers may go to the Post Headquarters/Range Control (first building on the left after passing through the main gate) and ask for directions to Range 5-1. (See attached map.)

LUNCH & REFRESHMENTS

Competitors should bring their own lunch and beverages, or there are local eating establishments (see attached map) within 10 minutes of the range. Time allowance for lunch will be approximately 45 minutes, but may be adjusted for progress of the tournament.

LODGING/BILLETING

The Vermont Army National Guard will provide open bay military barracks at no cost to the competitor. There should be adequate housing for those who are traveling long distances. There is other lodging available for a nominal fee. **PLEASE** keep in mind, this is a military post and the military has priority. Call Larry Grace at (802) 338-3603 for details.

LOST & FOUND

Items left behind after the tournament will be collected and secured in the National Guard SARTS shed until claimed. Please, contact the Match Director at (802) 735-5425 concerning lost and found.

MISCELLANEOUS

Changes to this program may be made at the discretion of the Match Director. The Match Director also reserves the right to alter the schedule in accordance with weather, range or other conditions. Contact the Match Director at (802) 735-5425 (c) for current Camp Ethan Allen Training Site (CEATS) force protection status that may affect tournament scheduling.
